

Go-Kits - Campsite

There are many items which experience has proven are necessary for successful operations under stressful emergency situations. The better prepared the Operator is, the greater the chance of being able to convey, accurately, the messages and information dispatched. The Amateur Radio Emergency Service Official Emergency Station Operator may wish to include equipment necessary to establish a Campsite in the "Go-Kit:"

- Tent/Poles
- Ground Tarp(s)
- Fly
- Whisk Broom
- Stakes/Nails
- Twine/Cord
- Rope
- Repair Kit / Duct Tape
- Hatchet/Axe
- Saw
- Hammer
- Shovel
- Lantern/Mantles
- Candles
- Chairs/Stools
- Folding Table
