

Go-Kits - Field Kitchen

There are many items which experience has proven are necessary for successful operations under stressful emergency situations. The better prepared the Operator is, the greater the chance of being able to convey, accurately, the messages and information dispatched. The Amateur Radio Emergency Service Official Emergency Station Operator may wish to include a Field Kitchen in the "Go-Kit:"

- Stove
- Fuel
- Cooking Kit
- Water Container/Water Purification
- Cups, Plates, Forks, Utensils
- Can Opener
- Sharpening Stone
- Coffee Pot
- Tablecloth

- Coffee
- Paper Towels
- Seasoning
- Toilet Paper
- Soap
- Detergent
- Pot Scrubber
- Empty Plastic Bags
- Trash Bags
